## STUDIES

Site plan of the proposed development at the intersection of Carr Rd. and the United States International Border. The plan shows various building footprints, parking lots, and landscaping. A blue-shaded area on the right side is labeled "RETENTION BASIN". A note on the right side states: "Note much larger basin". The plan also shows the "UNITED STATES INTERNATIONAL BORDER" at the bottom and "Carr Rd." running horizontally. Other labels include "BLOCK 9", "SOUTH ALABAMA CANAL", and "SOUTH ALABAMA CANAL BRIDGE".
