### CAREER SUMMARY

Rick's primary focus is on tenant and owner representation. He has extensive experience in acquisition, disposition, build-to-suit and sale and lease transactions. With Rick's 20+ years of experience and personal attention to servicing his clients, he can develop on-going and long term relationships necessary to consistently serve his clients. This philosophy and his previous development experience enable Rick to educate his clients and support their real estate decision-making process.

Prior to joining Lee & Associates, Rick was a Vice President at New London Associates specializing in industrial and commercial properties. Before New London Associates, Rick was a Vice President with Roselle Commerce Development where he developed the 72 acre Roselle Commerce Center Industrial Park and concentrated on build-to-suit projects ranging from 10,000 square feet up to 100,000 square feet. Rick specializes in North DuPage, West and North Cook and Lake Counties.

### EDUCATION / AFFILIATIONS

Rick is a member of AIRE (Association of Industrial Real Estate Brokers) and also sits on boards of educational institutions. Rick attained a Bachelor of Arts degree in Business Marketing from Bradley University.
