PROFILE

In 2002, John co-founded Lee & Associates of Illinois where he focuses on working with local and national clients to establish real estate programs, including the acquisition, disposition and leasing of industrial/office facilities and vacant land. Since its inception, John and his partners have grown Lee & Associates to a 60+ person, full service real estate firm.

John previously worked at Grubb & Ellis Company for 6 years as a transaction services professional within the firm's Industrial Services Group. During his tenure at Grubb & Ellis, John established a strong track record for success in representing the interest of tenants and landlords in Chicago as well as on a national basis.

CAREER SUMMARY

John has been involved in transactions valued in excess of \$1 billion and the development of over 300 acres of land. As a result of his efforts, he is among the perennial top producers at the firm. John has assisted a number of clients in establishing their real estate and related business decision-making processes to make optimal acquisition and disposition transactions.

EDUCATION

John graduated from Loyola Academy in Wilmette, IL and went on to attend Miami University, (Ohio), where he earned a Bachelor of Science degree with a concentration in Marketing/ Finance.

PROFESSIONAL AFFILIATIONS

John is a member of the following industrial organizations:

- Association of Industrial Real Estate Brokers (AIRE)
- The Society of Industrial and Office Realtors (SIOR)
