
SPECIALTY / EXPERTISE

Vincent's successful commercial real estate career is centered around the business practice of providing high-level service with in-depth market knowledge. With his market concentration in the leasing of office, medical and neighborhood retail properties located throughout the San Gabriel Valley, Vincent is able to quickly detect the pulse of the market utilizing his extensive market knowledge and offer real-time solutions for the clients he represents.

Prior to his achievement of becoming both a Principal and Founder at Lee & Associates - Pasadena, Vincent was already an experienced agent successfully closing lease and sales transactions throughout his career as a Property Manager at Wheeler Steffen, Claremont and Allied Property Management, Ontario.

Through his consistent success of managing commercial real estate assets and capital improvement projects, Vincent began his own property management company in 2000 and served as President before joining The Office Market Group at Lee & Associates - Industry in 2006. His services include leasing for all major office, medical and neighborhood retail product types to include multi-tenant, single-tenant, mixed, owner-user and institutional.
