PROFILE

Ryan Bennett is a Principal with Lee & Associates. He represents buyers and sellers in commercial income producing properties, specializing in the sale of net leased investment properties nationwide.

Prior to joining Lee & Associates, Mr. Bennett had a successful career in the technology sector of San Diego. He developed a multi-million dollar sales backlog working with Fortune 500 companies while moving on to eventually manage North American sales for a European manufacturer.

Mr. Bennett's core focus is to add value to his clients in every aspect of the acquisition and disposition of net leased assets nationwide. He is a co-founder of the Barr & Bennett Net Leased Investment Group, which has completed nearly \$2 billion in transactions related to the sale of retail and industrial net leased properties.

Barr & Bennett Net Leased Investments Group of Lee & Associates specializes in the acquisition and disposition of single tenant net leased investments (NNN) and retail shopping center investments nationwide. The Barr & Bennett Investment Group partners with high net worth individuals, developers, institutional investors, REITs, and provides sale-leaseback expertise to franchisees. Through years of experience, we've built exceptional relationships and a global proprietary database of investors and developers, which allows us to provide each and every client with world-class brokerage services.
