## PROFILE

Nicholas Quigley joined the Lee and Associates Greenville / Spartanburg team in October of 2022, bringing with him an impressive host of skills in sales, marketing, and entrepreneurship.

He began his career at Vector Marketing, where he worked as a Sales Representative. Nicholas built his client list quickly (including a \$200,000,000 marketing firm), and his talent as a salesman developed early as he was awarded three promotions within his first month.

Nicholas gained valuable customer service experience working for Wilson Air Center as a Customer Service Representative. While accommodating the needs of high-profile clients, like NASCAR and Hendrick, he completed service orders and worked at a high pace with a solid work ethic.

From 2015 to 2022, Nicholas was the Sole Proprietor of Made To Make It Apparel, a screen printing, embroidery, and apparel company. He managed all aspects of the company's production, marketing, sales, and collaborations growing the business which completed \$3,500,000 in total sales.
