PROFILE

Trent Shirk is an Associate with Lee & Associates Commercial Real Estate Services, Inc.- Orange specializing in full service commercial brokerage in the Corona and North Orange County markets. Trent specialties include user representation, owner representation, and investment sales. By using his extensive experience in manufacturing facilities, distribution/service centers, showroom buildings, and office/warehouse facilities Trent helps his clients confidently evaluate their real estate options and choose a strategy that best aligns with their company goals.

“We add tremendous value to our clients beyond the real estate process by working with a team of top professionals, leveraging our many vendor relationships, and physically walking the streets for firsthand knowledge.”

CAREER SUMMARY

- In 2008, Trent’s commercial real estate career began by working at the corporate office of Lee & Associates as an Executive Coordinator. This role focused on operations, branding, and the expansion of new Lee offices nationwide. This experience allowed Trent to develop relationships with Lee & Associates personnel, on a national level.
- In 2012, Trent began working as an Associate in the Lee & Associates Riverside, CA office.
- In 2013, Trent joined his family’s commercial interiors business, Rodenbeck. As a Sales Associate, Trent represented manufacturers of commercial office furniture. This provided a great deal of experience working with manufacturing facilities, warehousing & distribution, commercial interior design, marketing and management.
- In 2018, Trent returned to Lee & Associates and joined the Orange, CA office as an Industrial broker, bringing with him a wide range of experience in commercial real estate and commercial office interiors.
