## PROFILE

Luke is a Principal at Lee & Associates - Orange, Inc. He specializes in working with industrial building buyers, sellers, landlords, tenants and investors in North Orange County and the surrounding submarkets. Luke's work ethic, trustworthiness and love for helping others are what make him a top producer at Lee & Associates' Orange office. He remains committed to his clients and doing what's best for them.

Prior to joining Lee & Associates, Luke was a Major League Baseball pitcher. Years of working his way up the baseball system trained him well in the importance of hard work and commitment. The competitiveness and drive that propelled his baseball career are also what make him so valuable to his clients. Additionally, Luke has established a solid reputation amongst competing brokers that enables him to get deals done for his clients and obtain market intelligence before most other brokers are aware.

Throughout both careers, the one thing Luke prides himself most on is his integrity. Clients never have to doubt his motives. He simply wants what's best for those who are trusting him with their business.
