PROFILE

Bob has over 40 years of experience in commercial real estate, from developing small industrial buildings for sale and multi-tenant parks for lease, to being a broker, leasing and selling office, industrial, retail and investment properties in the North Orange County market.

In 2007 he was made President of the Orange Office after being a top 5 producer for many years. He led the office through the recession shortly after taking over and today has an office that generated its highest revenue ever of over \$15 million dollars in 2020, the year of the pandemic.
