## PROFILE

Noah Phillips joined Lee & Associates in December 2021. He graduated cum laude from Cal State University - Fullerton with a Bachelor's in Business Administration with a concentration in Finance and Real Estate.

Noah is a member of The Newton Service Team and assists with lease administration, market research, and investment analysis for clients throughout the United States. He focuses on tenant representation of office and industrial users, as well as sales of multifamily and triple net investments. Using market expertise and financial analysis, Noah helps clients make educated leasing and investment decisions in a competitive real estate environment. He brings a passion and commitment for client satisfaction to every transaction.
