PROFILE

Bart McNulty is an Associate at Lee & Associates Commercial Real Estate Services, Inc.–Orange, a full-service commercial real estate firm and member of the Lee & Associates group of companies. Bart joined the Orange office in 2025. His goal is to deliver exceptional service to his clients by leveraging his financial background and market knowledge to provide strategic solutions in the industrial real estate sector.

CAREER SUMMARY

Bart studied Finance and Real Estate at Texas Christian University, where he developed a strong foundation in financial analysis, capital markets, and commercial real estate strategy. Prior to joining Lee & Associates, Bart gained valuable experience through internships with leading real estate firms, including CBRE, Buchanan Street Partners, Stream Realty Partners, and Shea Properties.

Born and raised in Southern California, Bart has a deep familiarity with the region and its industrial real estate markets, giving him a unique advantage when advising clients. He focuses on representing buyers, sellers, landlords, and tenants throughout the Mid-Counties and Orange County markets.

AFFILIATIONS/EDUCATION

- Bachelor of Business Administration in Finance and Real Estate – Texas Christian University, Cum Laude
- Licensed Real Estate Salesperson – California Department of Real Estate
- Member – American Industrial Real Estate Association (AIR)
