PROFILE

Dan has been a principal and owner of Lee & Associates for over thirty-three (33) years specializing in owner representation and user representation of industrial properties in the Orange County Marketplace, although his client's requirements frequently take him throughout Southern California. Dan has brokered hundreds of transactions encompassing virtually every industrial street in Orange County in sizes ranging from 1,200 square feet to 230,000 square feet. Dan is an Owner/Principal of Lee & Associates and a Venture Capital Partner in 48 Lee & Associates offices nationwide.

Dan frequently assists clients with requirements throughout the Western United States.
