

MARK JOHNSON

Junior Assistant

*SPECIALIZATION
PROPERTY MANAGEMENT*

PROFILE

Mark Johnson serves as a Junior Assistant at Lee & Associates Pasadena Commercial Property Management, where he supports the Director of Property Management across a wide range of daily operations. In this entry-level role, Mark is responsible for assisting with data entry, coordinating work orders, facilitating tenant and vendor communication, and participating in property tours and inspections.

While new to the commercial property management industry, Mark approaches his responsibilities with professionalism, attention to detail, and a willingness to learn. His role plays an important part in ensuring efficient operations and supporting the delivery of high-quality service to tenants, vendors, and property ownership.

Mark is enthusiastic about building his career in commercial real estate and is proud to be part of the Lee & Associates team, known for its commitment to excellence and integrity in property management.
