About CompassionateLEE

Initially born from the recognition of need for quick-response disaster-relief within the Lee & Associates network, CompassionateLEE has grown into a national non-profit organization dedicated to providing hardship support for qualifying individuals or groups worldwide, with a focus on Lee network communities.

CompassionateLEE Grant Requirements

Individuals must complete and submit the attached application, along with submitting any ancillary information required by the CompassionateLEE selection committee during the selection process.

Groups must be a non-profit organization holding an active 501(c)(3) status under the Internal Revenue Code. The CompassionateLEE selection committee favors organizations maintaining administrative overhead at less than 30%, as well as an accounting of operational performance metrics. Grants are awarded for one-time, situational requests, with the applicant providing clear directive for the use of the funds.

Evaluation, Decisions, and Disbursement of Funds

All requests are acknowledged upon time of receipt via the email provided on page 1 of this application. Grants are reviewed and awarded quarterly, though the selection committee may convene as needed in the event an applicant proves a time-sensitive hardship.

Grant funds will be disbursed only in the form of a check and made payable to the individual or group listed on page 1 of this application.
