

MULTIFAMILY MARKET OVERVIEW

RUSSELL STEWART, JD, *Vice President*

Raleigh-Durham and surrounding sub-markets continue to be a hot bed for multifamily investors and developers. While we continue to recover from COVID-19 and its effects on commercial real estate, the multifamily sector has continued to thrive. Increased population growth to our market, which is buoyed by our region's education and healthcare, has led to significant investment by employers nationwide to call Raleigh-Durham home, thus bolstering the multifamily market. Both local and out-of-market developers continue their aggressive approach for multifamily opportunities, with no sign of slowing down in the near future.
