

INDUSTRIAL MARKET OVERVIEW

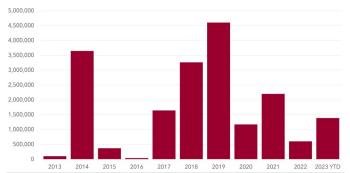

CHAD BROCK, Managing Principal

Vacancy is down this quarter from 5.3% to 4.6% and absorption was at 356,875 SF. New spec development is still underway at Tejon Ranch and Wonderful Industrial Park which shows increases in vacancy are more a function of increased supply rather than weak demand. Rent growth is still at 5.2% YOY. Asking rents in Bakersfield are the highest in Central California due to the metro's wealth of modern inventory and 2 hour drive proximity to the Port of LA/Long Beach. Despite a lack of large leases inked in Q2 2023, there are currently three large users under negotiation on 100K SF or more. Investors are attracted to strong rent growth with a mix of local and national capital targeting Bakersfield.
