

INDUSTRIAL MARKET OVERVIEW

RYAN WELCH, SIOR, *Principal*

The Charleston industrial commercial real estate market is currently experiencing a robust and active phase. With a vacancy rate of 5.2%, the market shows healthy demand and a strong level of occupancy. This indicates a favorable climate for industrial businesses and investors looking to establish or expand their presence in the area. Moreover, the market's growth potential is evident from the substantial amount of construction underway, with over 11 million square feet being developed. This indicates a proactive approach to meet the increasing demand for industrial spaces, suggesting a positive outlook for the market in terms of future growth and economic activity.
